

MINISTRY UPDATE

JAN/FEB 2026

Reaching the Finish Line!

A number of years ago, RENNER Ministries experienced growth that extended beyond the capacity of our previous facilities, so we launched a three-part expansion plan. In Phase 1, we began the process of building the Moscow TV studio and closed on the purchase of our new U.S. headquarters. In Phases 2 and 3, we completed the interior space of the studio and fully furnished it so that we could begin filming several programs a day in it, bringing you the Word of God from our corner of the world in the former Soviet Union. Phases 1 and 2 have been gloriously completed, and we are so grateful!

We are now in the final stretch of completing Phase 3, and things are moving full-steam ahead to pay off the U.S. office building as soon as possible so that those funds can be released for further ministry. If you haven't yet been able to be part of this project, would you consider helping us get to the finish line? To learn more or to join us in completing this final phase, visit renner.org/expansion.

BEGIN 2026 WITH A GREATER UNDERSTANDING
OF HOW TO WALK IN DIVINE HEALTH!

EVERYTHING YOU NEED TO KNOW ABOUT

HEALING

OFFICIAL RELEASE DATE
FEBRUARY 3, 2026!

In Rick Renner's newest book *Everything You Need To Know About Healing*, he explains in great detail the original reason why sickness exists, the horrible torment Jesus went through for you to walk in divine health, as well as the tactics of the enemy that will keep you from receiving the fullness of all that Jesus died for you to have. It is one of the most comprehensive books written on the subject of healing and will transform the way you handle this very vital part of your personal life.

In more than 700 pages, you will discover:

- Why Christians Get Sick — 7 “Entry Points”
- The Price Jesus Paid for Healing
- Redemption and Its Role in Your Deliverance and Healing
- How To Get Well and Stay Well
- The Role of Doctors, Medicine, Supplements, and Common Sense
- How To Stay Strong and Healthy as You Grow Older

Rick also shares his personal testimony of healing and covers topics such as Paul's “thorn in the flesh,” hereditary issues and generational “curses,” how to handle surprise attacks on your health, and *so much more!*

Begin 2026 with a greater understanding and a stronger grip on the subject of divine health than you have had before!
