

# MINISTRY UPDATE

MARCH 2026

## Souls Saved, Lives Changed

This year has been a wonderful season of harvest for RENNER Ministries, and we are rejoicing over all the individuals whose lives have been transformed by the Gospel. More than **10,000 souls** have come to the Lord through our outreaches in 2025 — a remarkable testimony to God's grace and to the faithful partners who help us take His Word to people across the globe!

Rick and Denise Renner share encouragement and faith with viewers in an online session.

IGNC prayer partners united in prayer through the power of technology.

A special part of this harvest has come through our Internet Good News Church (IGNC). More than **2,000 salvations** have taken place through IGNC alone in this past year! The Renners minister daily through this online church platform, offering spiritual nourishment, resources

for learning more about God's Word, pastoral care, and even Christian counseling. With more than **220,000 online church**

Pastor Paul Renner shepherds God's people with passion and devotion at Moscow Good News Church in Russia.

**members** from 56 nations watching monthly, IGNC has become a vital lifeline for those without a local church or unable to travel. It is a growing congregation without borders — meeting needs, building faith, and helping people come to Christ everywhere in the Russian-speaking world.

We are also celebrating tremendous progress in completing the final phase of our Ministry Expansion Project (MEP), which is to retire the debt on the U.S. headquarters building. At the beginning of 2025, we were at **72.68 percent** of our goal. As of the time of this writing, we have reached **81.52 percent** — a significant leap forward! Thank you for standing with us!
