

MINISTRY UPDATE

SEPTEMBER 2025

‘Teaching You Can Trust’ on Television

Rick and Denise Renner, inspired by a word from the Lord, began their TV ministry to Russian-speaking people in 1992, establishing the first — and eventually the largest — Christian television network in that region of the world. After many years, this outreach expanded to the U.S., bringing Rick’s program *Renner TV* to English-speaking audiences in 2018 and Denise’s program *TIME With Denise Renner* in 2022. Both Russian- and English-speakers can hear the Gospel message right from their television — they don’t even need to leave their homes!

Denise films an episode of *TIME With Denise Renner*.

But that’s not all! In 2021, we became the owner of the largest Christian satellite network broadcasting in the Russian language. Today the Good News Channel (GNC TV) broadcasts to 83 nations around the world. Soon after, we launched our national channel TBV, which extends to every corner of Russia, reaching across all 11 time zones. Because of this television ministry, a person only has to flip through a few TV stations to find solid teaching from the Word of God.

You can watch *Renner TV* on Roku, YouTube, and Facebook or listen on Apple Podcasts, iHeart Radio, and Spotify. You can also watch *TIME With Denise Renner* on YouTube and Facebook or listen on Apple Podcasts and Spotify. Funding Our Growth

In 2020, RENNER Ministries began to experience rapid growth. With this wonderful new development also came a need — a new TV studio in Moscow and a bigger office building in Broken Arrow, Oklahoma!

Soon after, we broke ground for our Ministry Expansion Project, and today, the Moscow studio is complete and fully furnished. Our U.S. staff also moved into our new office space in Broken Arrow. Now only **PHASE 3** of this project remains — paying off our U.S. office building. We are now 80 percent of the way there, and we are so thankful for the support we have received from our partners. If you want to see the latest updates on our Ministry Expansion Project — or if you want to contribute to the growth of RENNER Ministries — please visit renner.org/expansion.

Our vision is to take the Gospel both to our nearby world and to the ends of the earth, proclaiming Christ, and warning and teaching every man with all wisdom, in order that we may present every person fully mature in Christ Jesus (*from Colossians 1:28*).

Rick Renner, a man with glasses and a white shirt, is sitting in a leather chair in a library. He is holding a book titled "THE RAPTURE, THE ANTICHRIST, AND THE TRIBULATION" by Rick Renner. The book cover features a dramatic scene with fire and figures. The background is filled with bookshelves containing various books and decorative items.

IT'S HERE!

Official Release September 2.

What does it mean to be living in the last days? Rick Renner's latest book answers this question and more!

Wars, strife, and natural disasters are common in the world today. Many people look around and wonder, *Are we living in the last of the last days? Should we be preparing for something big?*

Rick's new book, *The Rapture, the Antichrist, and the Tribulation — An End-Times Countdown and What Happens Next*, sheds light on this subject, revealing what the Bible says about the end times. It discusses:

- What Christians can expect during the Rapture.
- Characteristics of the Antichrist and when he will appear.
- Possible identities of the “restrainer” holding back the Antichrist.
- What will happen in Heaven during the Marriage Supper of the Lamb.
- What will happen on Earth during the Great Tribulation.
- The difference between the Rapture and Christ's Second Coming.
- *And much more!*

Find answers to your most pressing questions by exploring what the Bible actually says — line by line, word by word — about these end-time events. By the time you turn the last page of this book, you will have a much clearer understanding of the end times and how to face them *without fear!*
